

JOIN THE COLLABORATIVE ON FAITH & DISABILITY

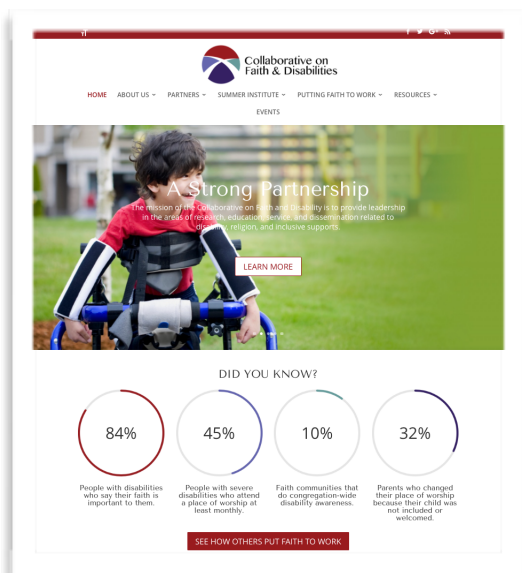

The Collaborative on Faith and Disability develops and provides training, technical assistance, research, and resources to people with disabilities and their families, congregations, clergy, seminaries, and service providers.

Our mission is to support people with disabilities, their families, and those who support them by providing national and international leadership in the areas of research, education, service, and dissemination related to disability, religion, and inclusive supports.

More than 15 University Centers for Excellence in Developmental Disabilities (UCEDDs) now participate in this compelling network.
